Sanger High has never lacked

PARTICIPATION

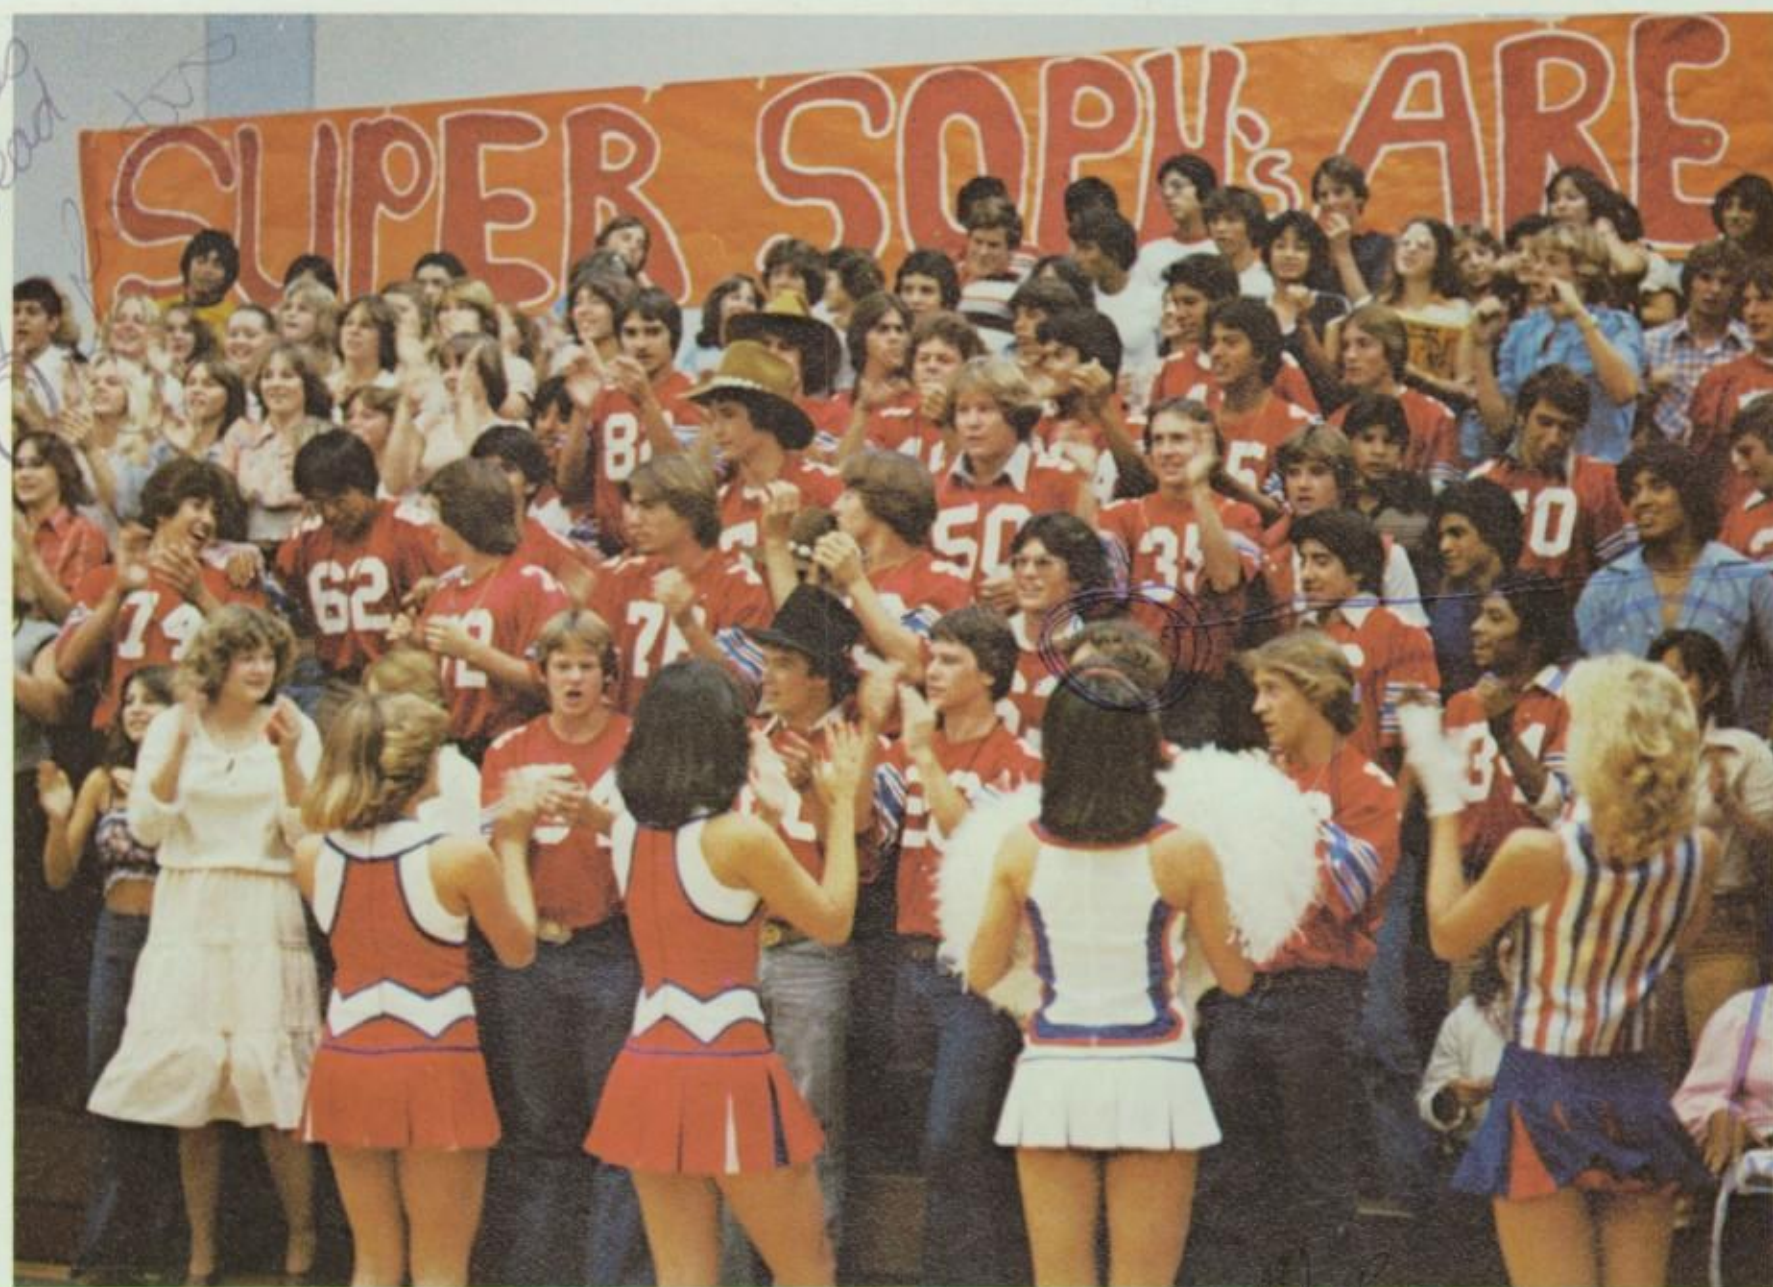

and this year was no exception. There were plenty of activities to get involved in and plenty of people got involved. The activities included student government, band, journalism, drama, NJROTC, and sports; just to mention a few.

On any afternoon (Monday-Friday) and even on a few evenings, you could find athletes practicing to become superstars, rally club painting signs and planning rallies, band perfecting the halftime shows, and students in journalism often wondering if, one night, they would spend the whole night working.

And for the people who weren't in these things, they participated by being there to give their support and show their enthusiasm for the many activities that went on all during the year.

Jerry, To a real nice guy I met this year. Have a terrific summer and I'll see ya when we're Juniors) your friend Justin

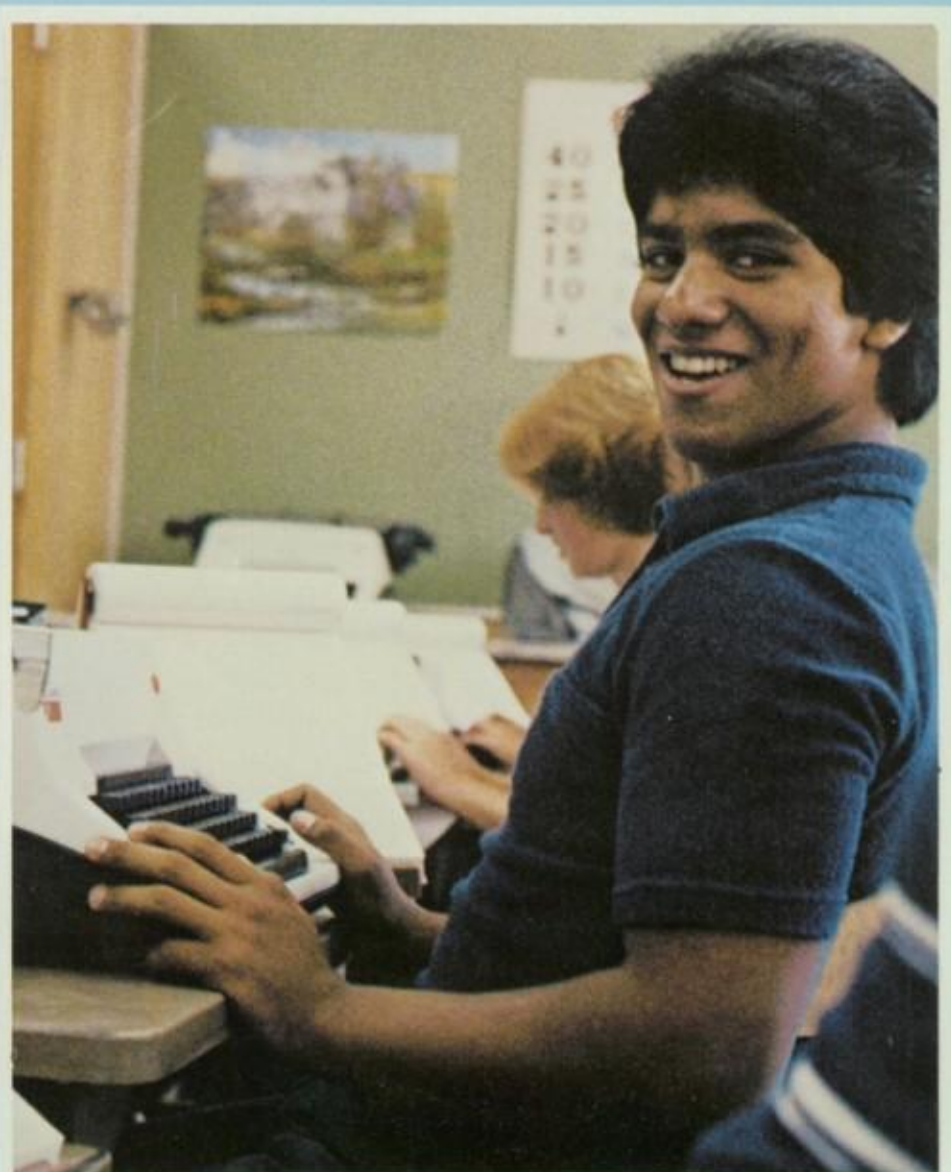

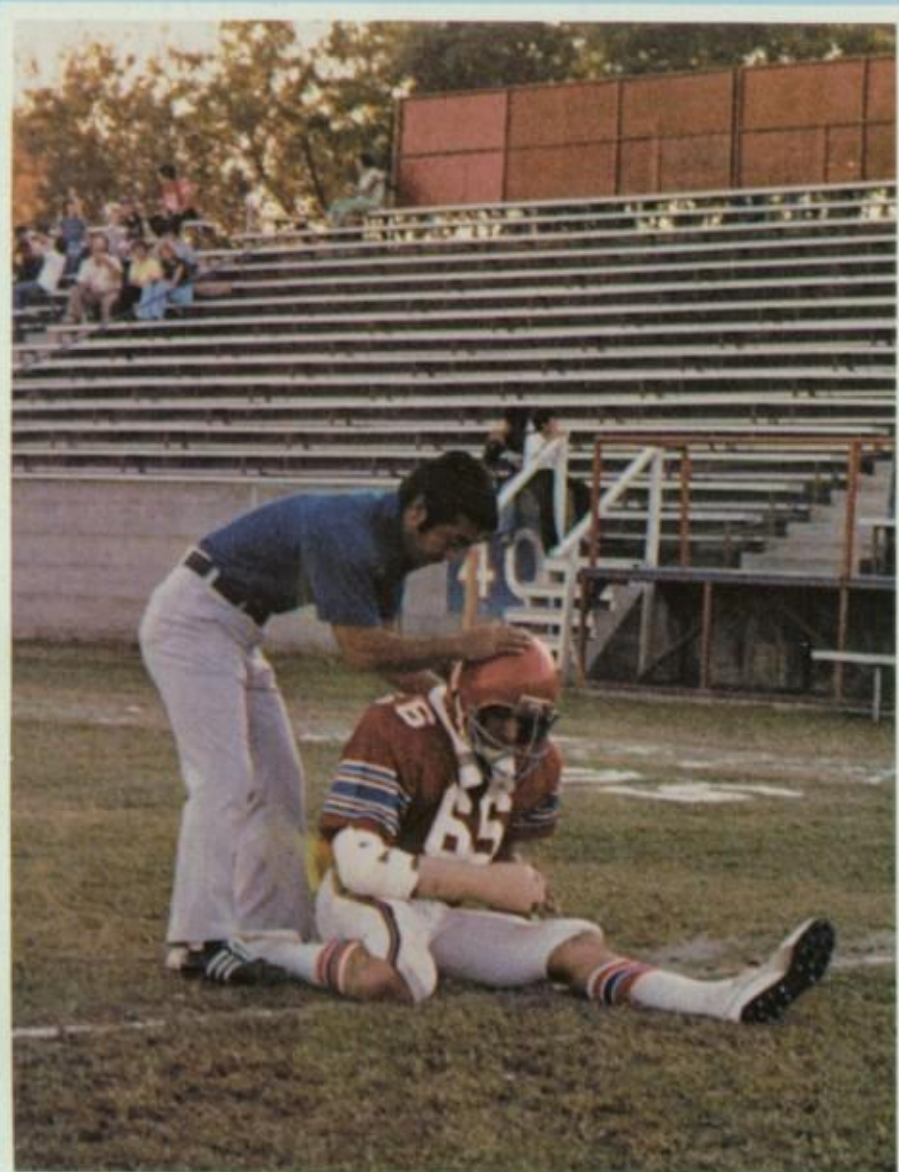

I'm a nice cool guy who never bothers anybody for as long as I've known for 4 years stay cool and hold your own turf up. I don't party to much and I'll see you next year.

Every morning students walked up the stairs of Sanger High trying to forget why they were there. But, somewhere down the hall, they realized that the reason was to better themselves through

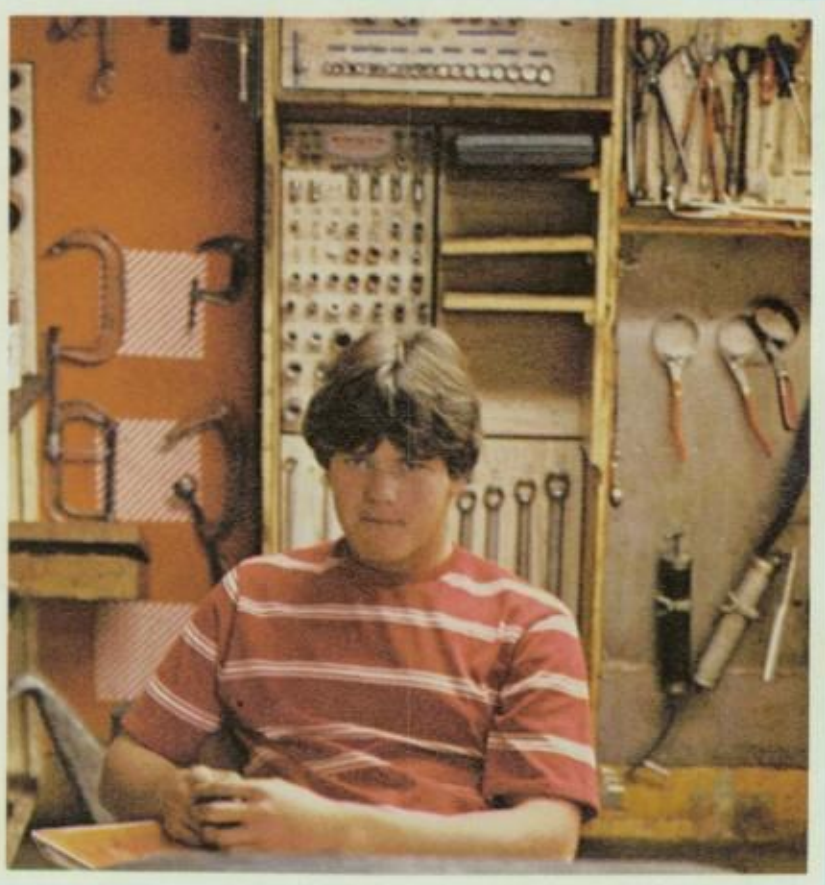

EDUCATION.

Life at Sanger High was not all fun and games. Each class had to face the 'required' elements of the course. Every Senior dreaded American Institutions, but most made it through, one way or another. The Juniors experienced what's in store for them: the AP history classes were not your everyday A-B-C classes. The Sophomores thought that they had it rough, but just wait until next year. The Freshmen were enlightened by their discoveries in frosh social studies.

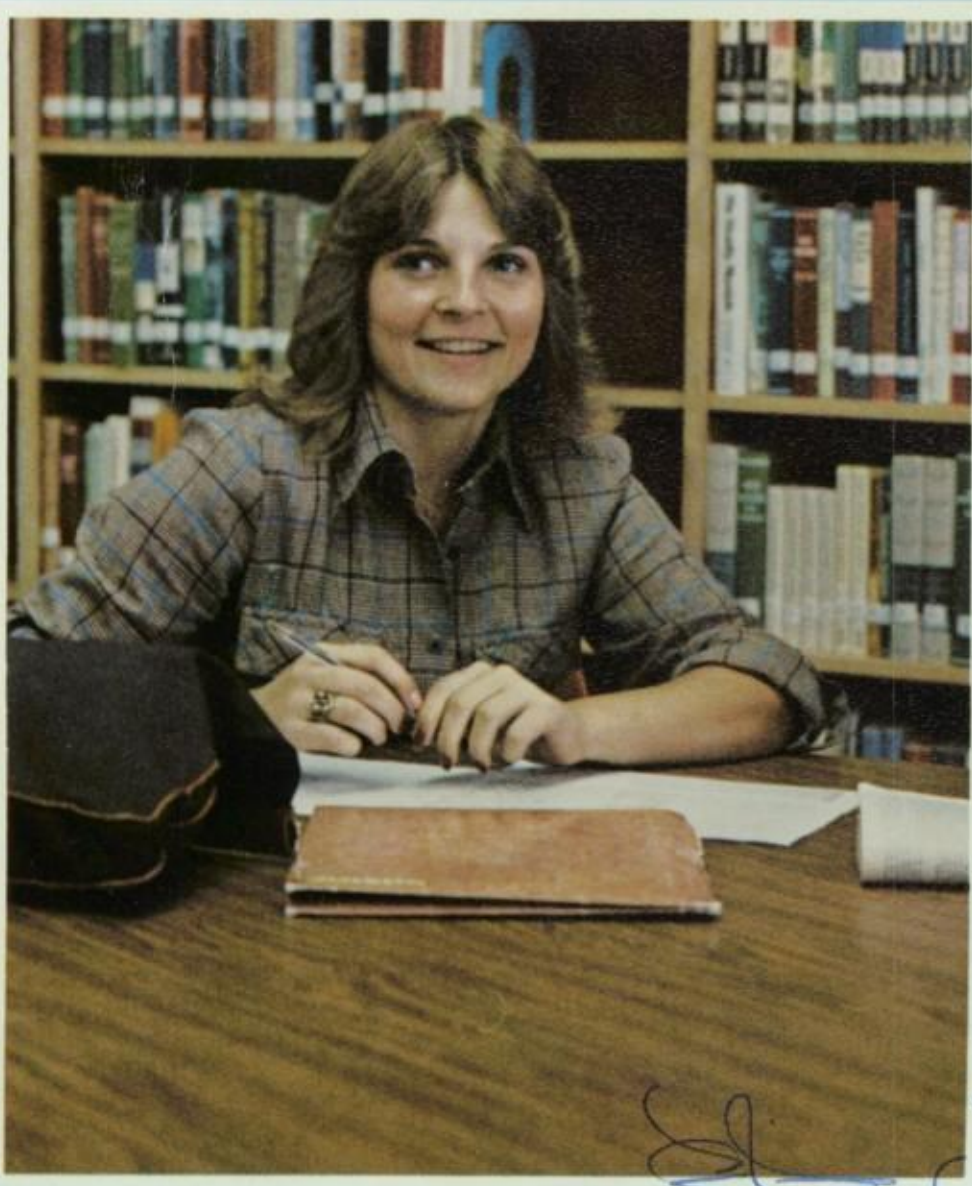

But, sitting at a desk reading a book wasn't all there was to learning. There was something for everyone. Sanger High has many forms of education: everything from PE to shop classes. Everyone had the opportunity to take a class that taught them what they were really interested in.

To Jerry a pretty cool dude that I had for my first period class. Good luck in the future.

Sanger High students were involved in many activities this year, but the thoughts that were actually occupying the minds of everyone were those associated with 'kicking back' and

RELAXING.

Very few found much time to really relax, but when they did, nothing held them back.

In warm weather, the main site for taking it easy and talking things over was the front steps; and when the weather turned cold everyone went inside and the main hall became the most popular area of the school. You could also always find people relaxing in the quad.

When the school day was over, you could find the Sanger High students relaxing at parties, games, concerts, fairs, and, of course, ME-N-ED's.

Sanger High spirit was unbelievable this year.

The

SPIRIT

of the Seniors was 'flying high' (as depicted on their first-place Homecoming float) this year.

Junior spirit was on the rise again.

The Soph's gave the Seniors a lot of competition in class yells.

Frosh spirit is on an upward trend.

Rally Commissioner Laura Kriner has to be given a lot of credit for her part in building spirit!

Mugrdechian heads Council

The SHS Council faced an added burden this year when the faculty decided to withhold 'extra services' and refused to perform any and all adjunct duties. But life went on and with a Council composed of, in the words of ASB President Charlie Mugrdechian, "explosive students who did not hesitate to state their opinions". The 1978-79 Sanger High year proved to be an active and worthwhile one.

The Sanger High Student Senators are the group who are called upon weekly to perform some function to help make SHS a better place to be. Council Vice President Sarah Simonian was the 'boss' of the group and her leadership was instrumental in accomplishing a great deal throughout the year. In addition to the Council and Senate, Sanger High also boasted of their student court, re-introduced this year after an absence of several years, and the principal's advisory, a group composed of students who 'delighted' in advising Principal T.J. Gannon. Advised they did, but they also became the 'right arm' of the activities director Bob Buchanan who put them to work in organizing and implimenting a 'spring' activities sports contest. Campus problems brought back the court, as the members of the student body 'had to get involved in this area if anything was to happen.' Credit has to be given to council advisor Bob Buchanan, who took over the position of activities director at mid-term. He is the leader who helped make real leaders of the SHS council, senate, court, and principal's advisory.

SHS Marching Band

A superior band in action!

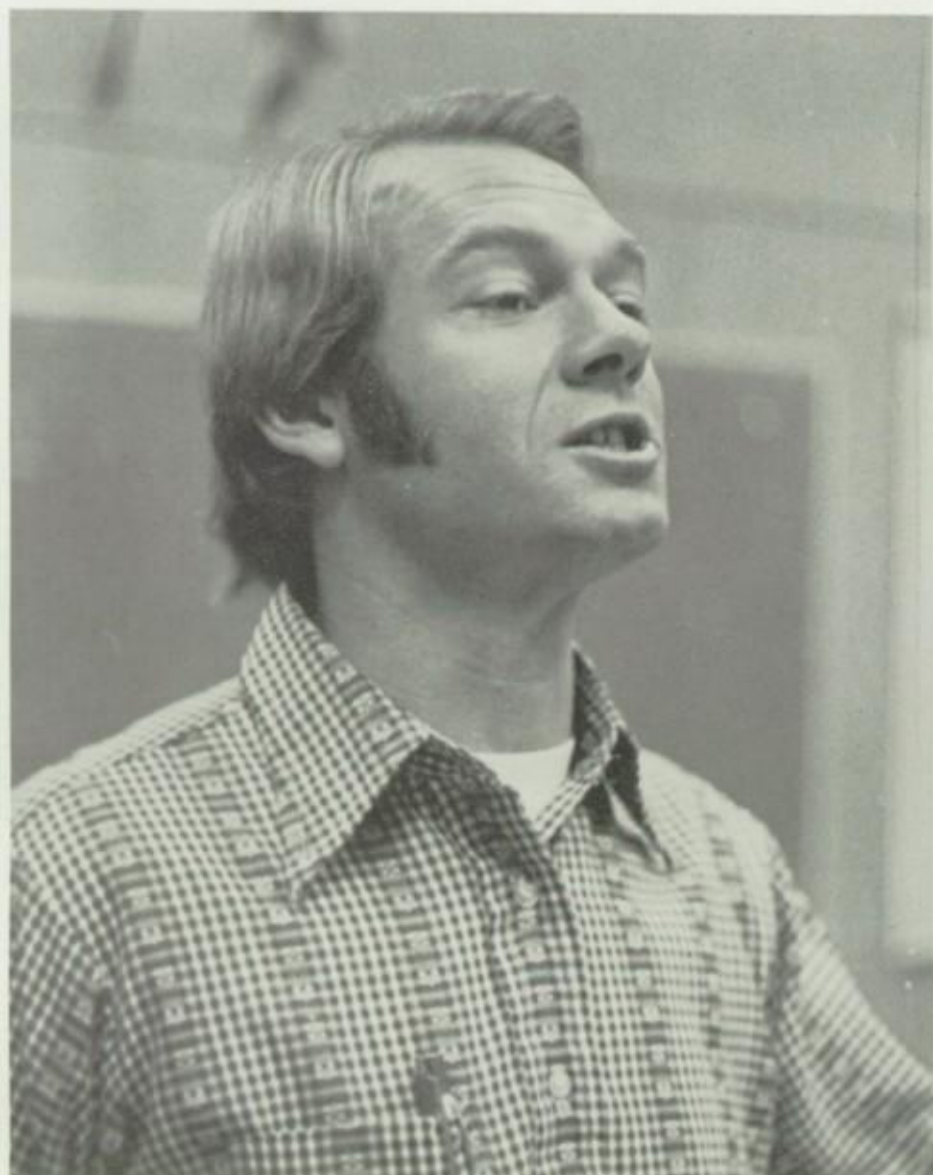

Enthusiasm, talent, hard work, and a desire to be the best produced the best. Mr. William F. Jaime and the SHS band never seemed to slow down and 'did their thing' from San Francisco to San Diego and they did it very well. The band was always called upon to perform and to add color and music to every event. They always said 'yes'. Mr. Jaime 'put it all together this year' and he 'put it together the right way'. The SHS band was second to none. SUPERIOR is the only word to describe the Sanger High instrumental musicians and Mr. William Jaime.

SHS choral music

The fine art of the Fine Arts Department

It takes a great deal of work and effort to mold a group of individuals into a single entity. Mr. Wiens did that. He took the individual singers among the student body and created choir's that, in every sense of the word, were 'Superior'. Their singing was not confined to the choir room. Groups as diverse as The Sanger Woman's Club to the Apache Boosters had the opportunity to hear these fine froups. A talented teacher interested in producing the best, produced the best.

... more Superiors for SHS musicians

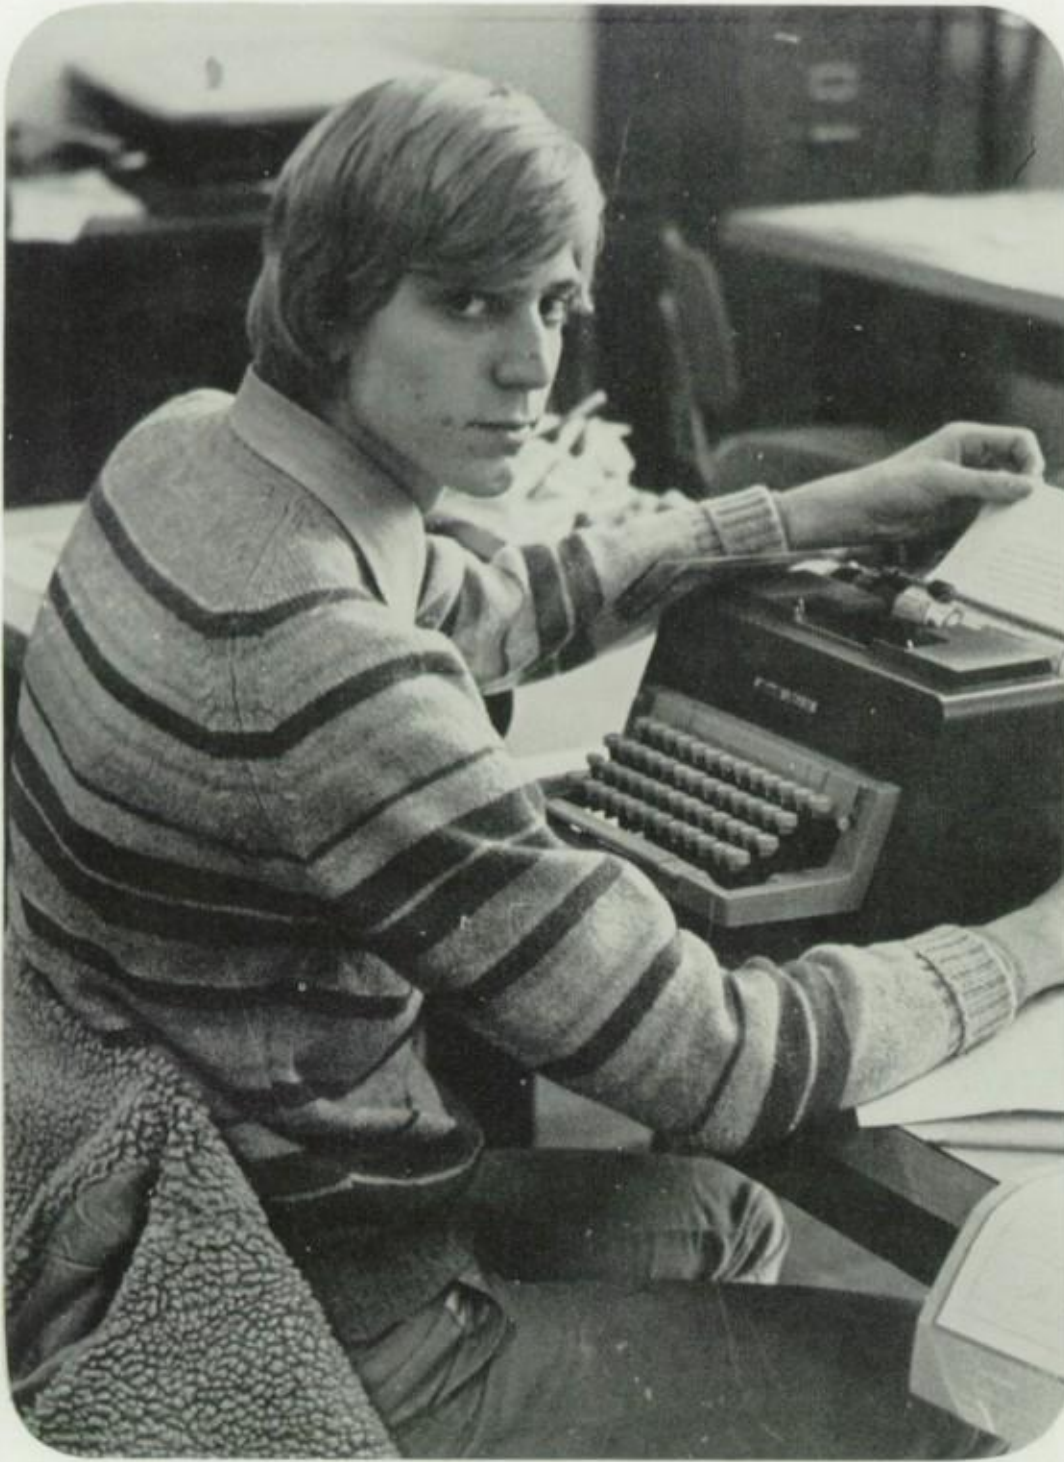

Once again the 'Superior' ratings were won by the Sanger High musicians. The annual 'Music Festival' was the scene of the Sanger 'Superior' performances held in Kingsburg. SHS music men, Bill Jaime and Norman Wiens, have groups that rate among the best in the San Joaquin Valley. Music is an integral part of any school curriculum, and because of the excellence of the SHS instrumental and choral units, Sanger High curriculum is a "little above the rest".

Walton, Yost, Pittz, and Alonzo plan

Nancy Walton, Kellie Yost, Phillip Pittz, and Jesse Alonzo were a unique group. Unique and responsible. Unique because for the first time (ever remembered) deadlines were met. The yearbook staff under the direction and supervision of Nancy and Kellie came through deadline after deadline. Most responsible though, were the editors and the time and effort they put into this book. Though infrequent, 11:00 pm arrived before the work was done on several occasions. Jesse Alonzo was the man with the camera and before long he became the most visible student on

campus. He was everywhere with his camera. Phillip Pittz, a junior, edited the weekly edition of the Hi-Lights, and in that capacity supervised a small inexperienced staff. Much of the work fell on his shoulders and he came through week after week. Sophomore Matthew Gurule, emerged as one of the best writers on the staff and it wasn't long before he was named an associate editor of the Hi-Lights. As a whole, this was a good year in Journalism. There was a lot of work, but there was a great deal of fun and satisfaction in getting the job done.

High year

AFS Program A fun year with Michele, Gerard and Ignacio

The AFS program on the Sanger High campus was one of the bright spots of the year. Michele Butler, Gerard Huther and Ignacio Buccoli became the typical Sanger High students within a very short time of their arrival. They participated. They accepted us and we in turn accepted them without reservation. We'll miss them because we really did enjoy them with us, even if it were only for a short time.

"A year of Sanger High experiences"

MICHELE BUTLER

Michele arrived from New Castle, Australia and fit in from her first day. She worked in the concession stand, went to the sporting events, worked in drama and journalism, and studied. Her family: The Marcantonios.

GERARD HUTHER

Gerard came to us from Switzerland. He was made to feel right at home. His home away from home was at the Hirnis. His favorites were the language classes and Ms. Bacon and Sanger High Drama.

IGNACIO BUCCOLI

From Italy came Ignacio whose Sanger family, the Fierro's made him welcome and gave him an insight into American family life. His favorites were Tanimoto and the business class, languages, football and above all-people. His personality made him one of the best-liked Sanger High students.

NJROTC

An example of SHS excellence

The Sanger High NJROTC unit has quality at the top (Capt. John Nicholson) and his leadership resulted in his group attaining a reputation as one of the best Naval high school units in the nation. The classroom work was varied and interesting; the field trips (from San Francisco to Bremerton, Washington) complimented the classroom work, and their many appearances at parades and similar events provided the members with a sense of pride through participation. The members of the unit worked hard throughout the year and established an esprit de corps that was envied by many organizations on campus.

Apache Football 'Never say die

Coach Garry Scott's Apaches had a very unusual season. Just about the time when everyone began to 'write them off' and started to talk about 'next year'; the Apaches came alive and the Apache fans began, instead, to talk of a possible playoff spot. Towards the end of the season, the Apaches came on strong in the WYL and were regarded as one of the stronger teams in the league. There were many 'big names' on this year's squad, but because of the positions they played, didn't get the recognition they deserved. This list of 'big names' included Rene Gonzalez, Calvin Walker, Mark Shepherd, Ralph Googooian, Abel Trevino, Jerry Fino, Craig Schletewitz and Roger Hemman. The 'big names' of those who received the recognition because of their positions include Greg Vitucci, Kevin Ashford, Charlie Murgdechian, Rodney Rose, Paul Montelongo and Evie Gomez. The Apaches ended the season on a high note which capped a successful season.

Apache stats show squad accomplishments

The accomplishments of the Apaches were recorded game after game by Apache statistician Tyler Tharpe. Through his weekly reports, a picture of the Apaches appeared. Paul Montelongo and Rodney Rose were the Apache quarterbacks who did most of the Apache passing. They had a high completion percentage and their favorite receiver was Rex Padilla. The leading Apache rusher was Greg Vitucci and he was followed closely by Evie Gomez, Kevin Ashford, and Charlie Mugardechian. Montelongo, Tony Fidalgo, Homer Perez and Romior Rivera were the Apache kickers. On defense the leading tacklers were Kelly Haggin, Homer Perez, Harold Harris, Calvin Walker, Craig Schletewitz, and Mark Shepherd.

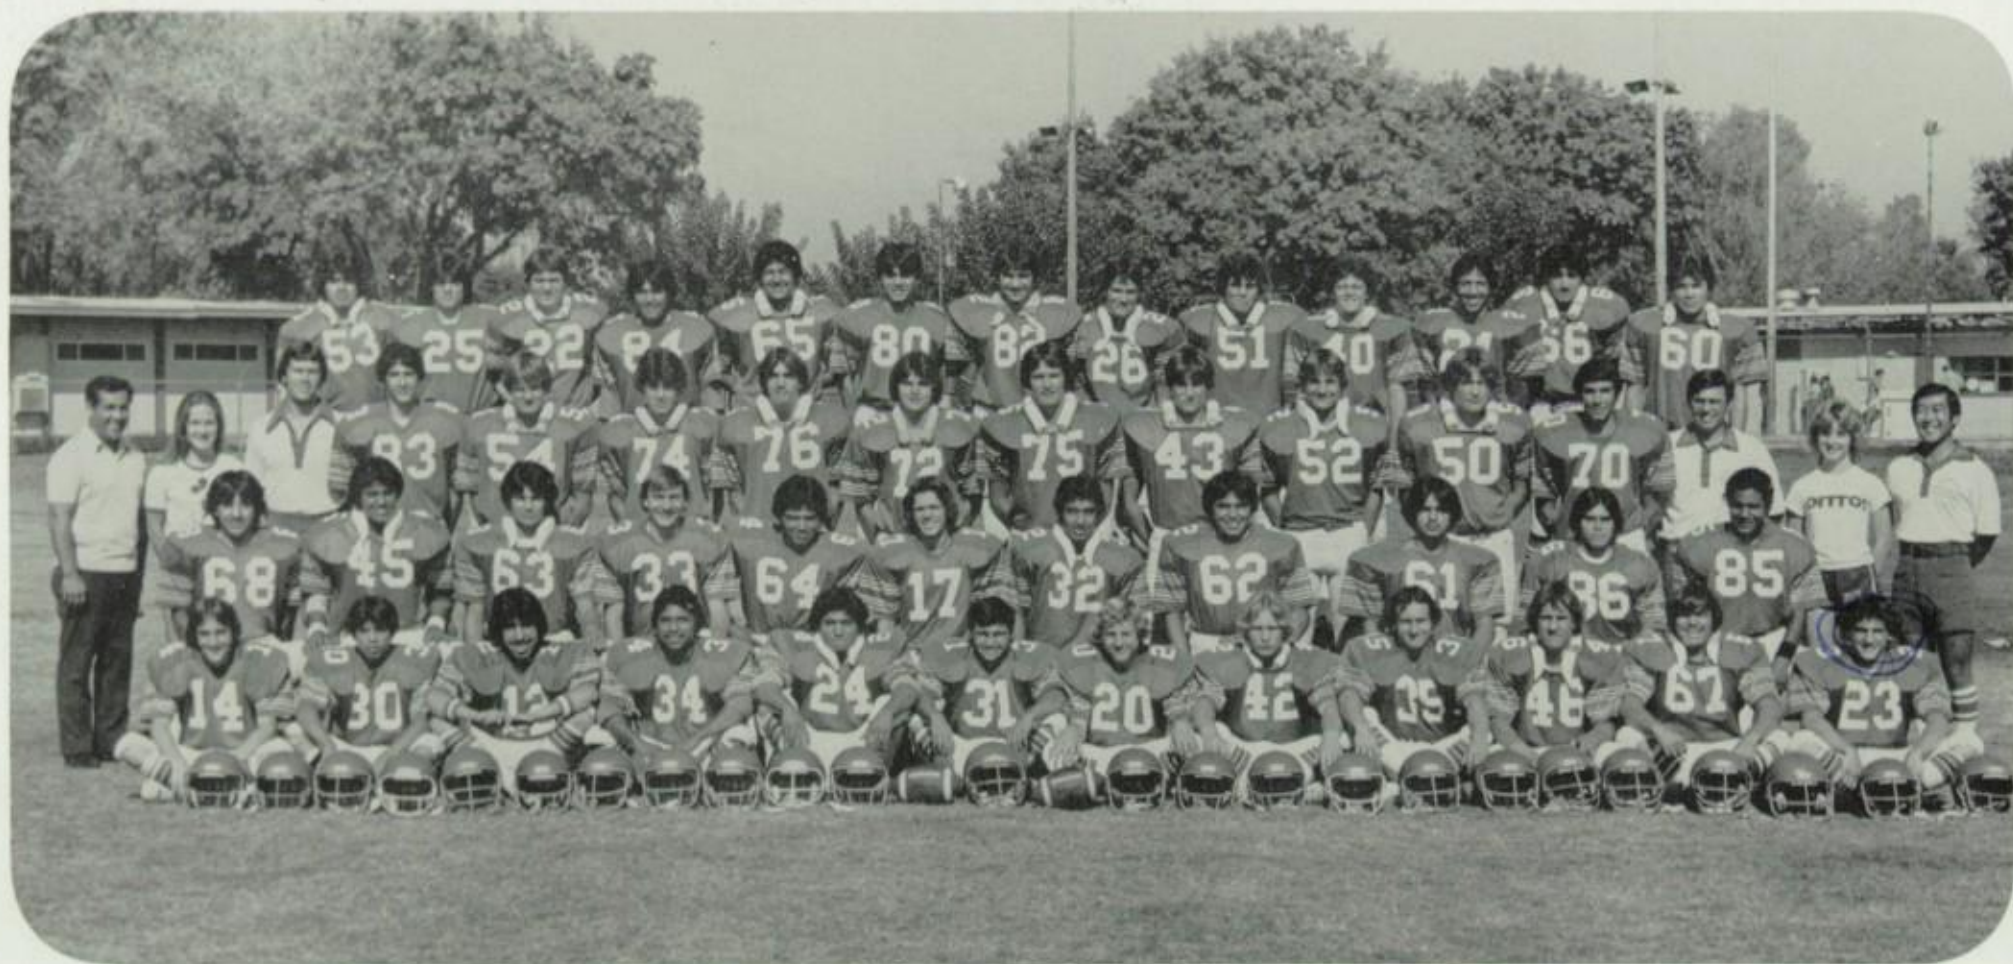

Braves-Frosh squads excel on SHS gridiron

Coach Roy Tanimoto's Braves had the makings of a championship team this year. The squad, led by Tad Ballew, Scott Denney, Derek Stephens, Ricky Ramires, Jim Kirschner and Bobby Gonzalez finished second in the WYL. Throughout the season the Braves became stronger as they went from game to game and by season's end were title contenders. By the end of the season, the Braves were at peak performance and could have beaten anyone. The Apache Frosh football squad learned the fundamentals of football under Coaches Joe Munoz and Jimmy Gonzalez and are ready for JV play next year. This year's Frosh 'stars' were Tim Ogawa, Paul Mesple, Mike Miller and Phillip Gonzalez.

Volleyball experiences many hardships

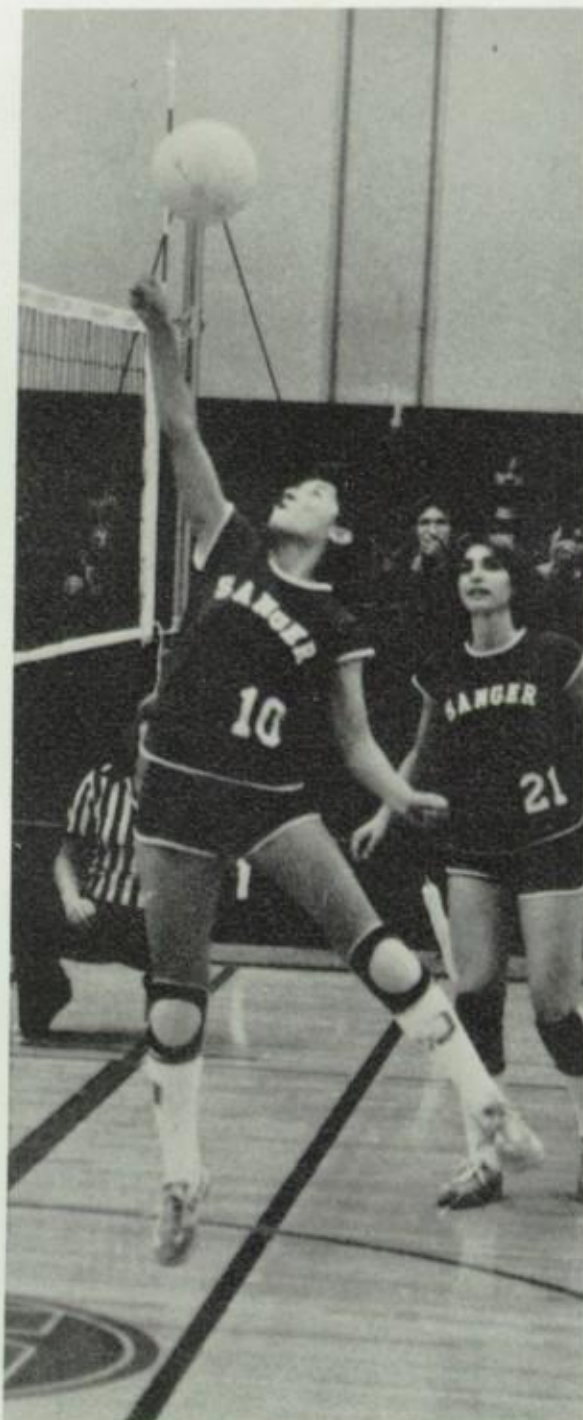

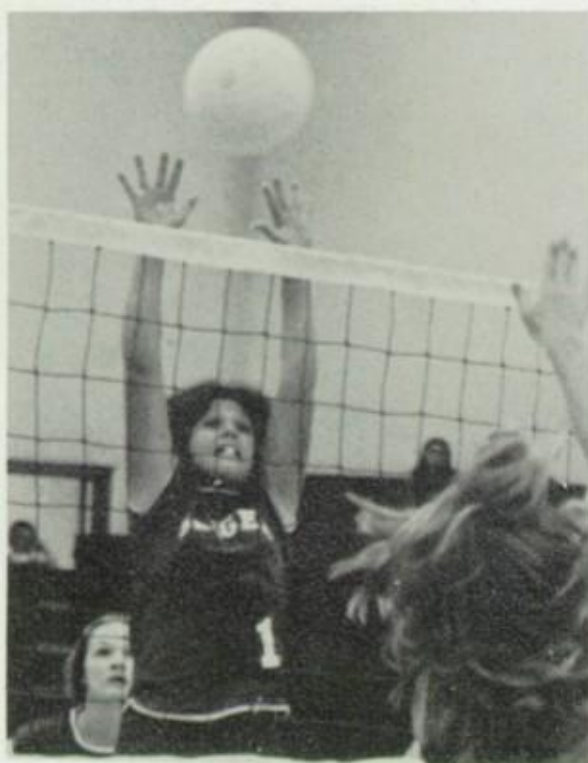

SHS volleyball has often been shoved to the back of everyone's mind, and this year was no exception. After starting the season late because of no coaches and then having a varsity coach resign half way through the season, the volleyball players had it rough. With the new coach, Sue Theiler, spark was added to the team but it was too late to change the final outcome. The girls gave it their all, had a lot of fun, and even managed a few wins.

Cross Country goes the distance

Coach Dave Dodson's varsity cross country squad took a second place finish in the WYL this season due primarily to the fine running of Julian Vinton, Nacho Salinas, Steve Moreno, Marcos Perez, Roy Vinton, Louis Rodriguez and Ron Schaffer. In the girls' division, the Sanger High 'best' were Carmen Martinez, Juanita Maesta, Sandra Hooks and Nancy Orozco. This year's squad was much improved over last year and qualified fourth in the area and made it to the Valley finals. With only two graduating from the varsity squad, next year's cross country squad should be Valley contenders.

Mike Hamby and James Leong were the team leaders on this year's water polo squad. Both were outstanding throughout the year and led the squad both on offense and defense. In addition, outstanding play was turned in match after match by goalie Eric Bjornsen. Coach Art Ruble from Fresno State again took over the coaching duties from Coach Tiftick and did an effective job. Through his efforts, this year's Apache squad were much improved over the previous years.

Waterpolo in action

Apache Super Stars

Each year there are many Apache athletes who deserve special recognition because of their accomplishments. It is always difficult to select 'Super Stars' because there are always many others just as deserving.

This year, however, we of the ECHO staff singled out Apache Mark Shepherd, Apache Kevin Ashford, Apache James Leong, Apache Sharon Frauenheim, and Apache Julian Vinton as our 'Super Stars' of the 1978-79 fall sports' season.

No. 23 MARK SHEPHERD was a standout on last year's Apache squad and was even better this year. Unfortunately, he suffered an injury this season that kept him out of a few games. When he did get in the game though; he was outstanding and singled out as the recipient of our 'Super Star' title.

No. 44 KEVIN ASHFORD also suffered an injury that kept him on the sideline for a few games. But like Mark, when he did play; he played exceptionally well. He was an outstanding running back, but when Coach Scott needed a defensive back, he played that position. Kevin is the type of player who can play either offense or defense and no matter where he plays, he is a 'Super Star'.

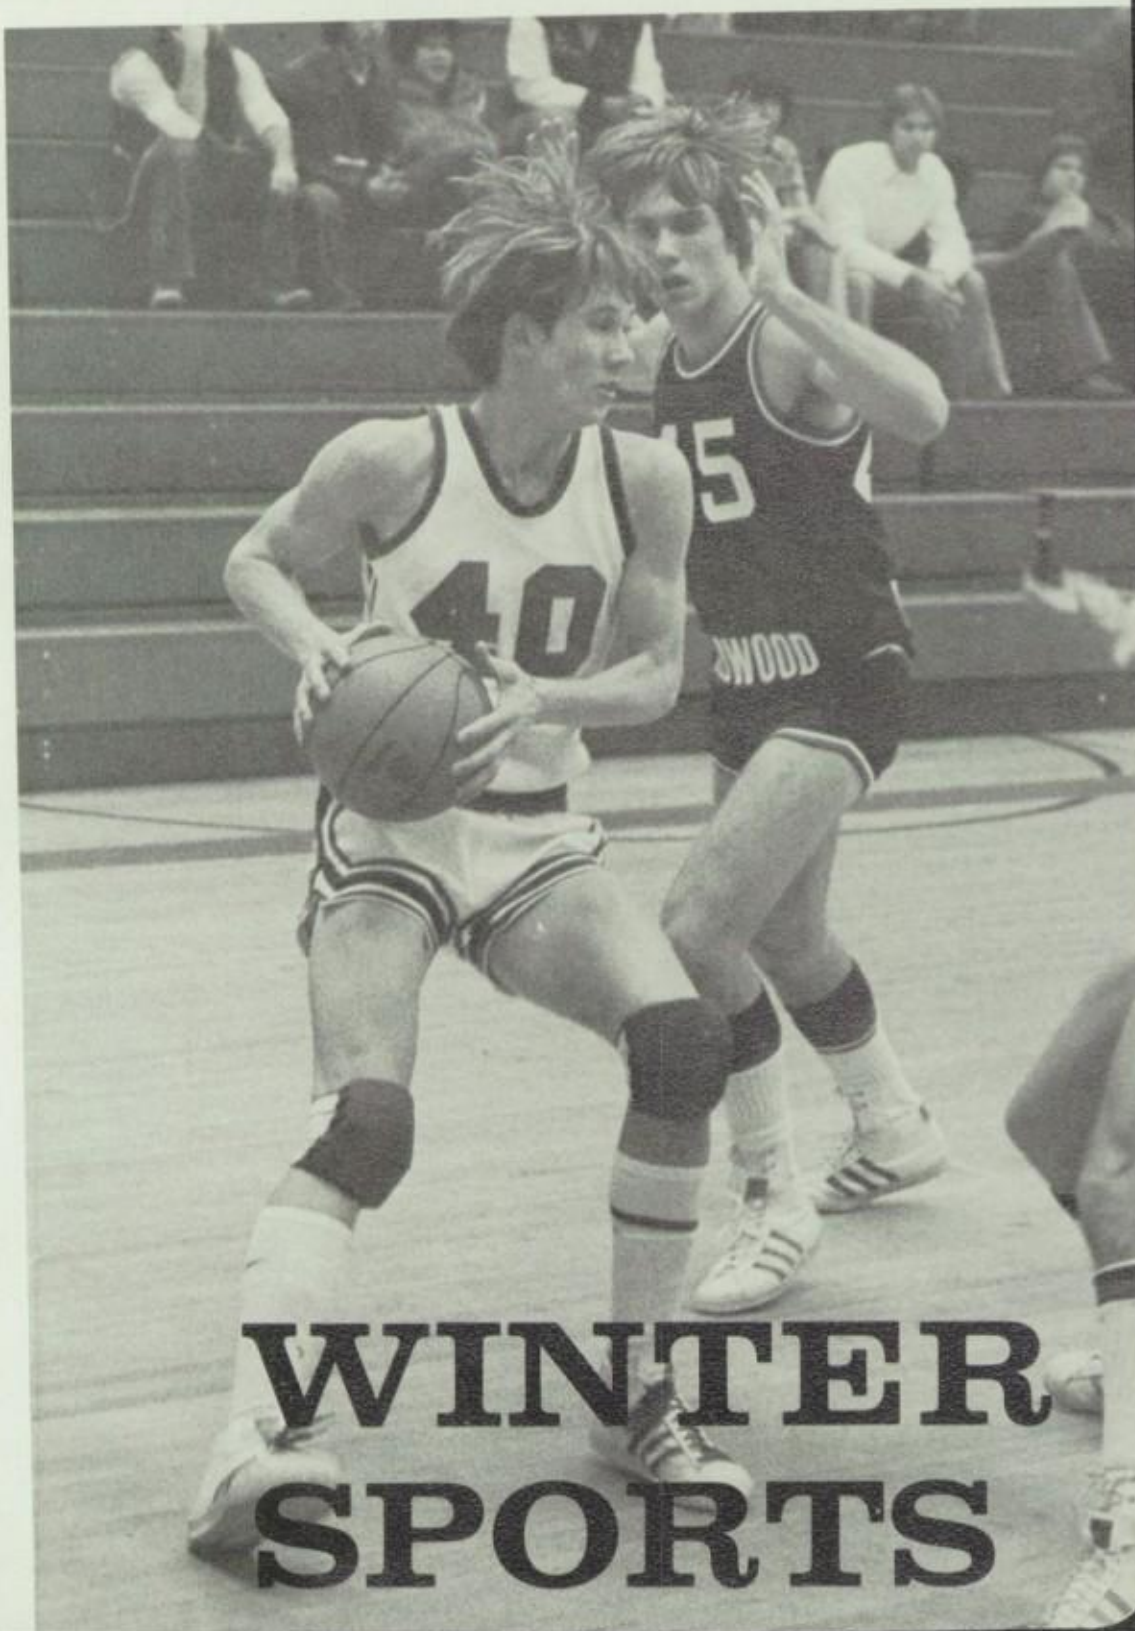

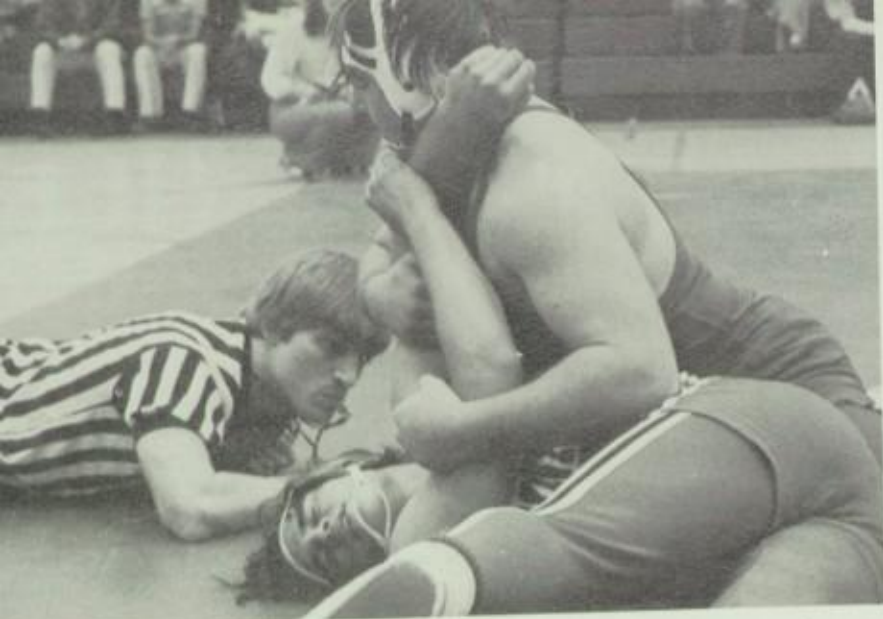

No. 5 JAMES LEONG has been a member of the Apache water polo squad since his Sophomore year and was especially outstanding this year. He led the Apaches on defense and was one of the best defensive players in the WYL. In addition, he was one of the leading scorers on Coach Tiftick's squad. He has been swimming and playing water polo 'all his life' and his 'Super Star' status came because of his dedication and excellence.

No. 1 JULIAN VINTON in his first year of cross country running, quickly established himself as the premier runner in the school. He became Coach Dodson's No. 1 runner on the basis of his 14.52 clocking for the three-miles and established a school record. Julian is also a runner on the track squad, and holds seven school records in that sport.

No. 14 SHARON FRAUENHEIM is our 'Super Star' of volleyball. Sharon has been playing volleyball on a Sanger High team since her freshman year and had her best year this year. Our 'Super Star' of volleyball was regarded as one of the best 'spikers' in the WYL. In addition to volleyball, Sharon is one of Sanger High's leading tennis players.

Cook, Hockersmith lead 1978-79 Apaches

Mike Cook and Kevin Hockersmith were the 'big men' on the year's Apache basketball squad as they led the team through the season and as they consistently turned in outstanding performances on both offense and defense. But let's not forget Jeff Freeman, who 'almost single handedly' defeated the highly favored Mt. Whitney Pioneers as he completely dominated play in the fourth quarter of that contest. The Apaches had an on-off season. Winning where it was doubtful that they would and losing when they were expected to win. Cook was the leading scorer of the squad as he averaged more than 15 points per game, and ended the season No. 3 on the West Yosemite League scoring list.

Wiebe's Braves Provide exciting basketball

The Sanger High Braves under Washington Junior Highs, Wayne Wiebe had a winning season and prepared the Braves for Varsity action next year. Weibe stressed the fundamentals and emerging as squad leaders were Gilbert Franco and Bob Gonzalez, the squads leading scorers. The defensive unit was lead by Franco and Louis Rodriquez. Throughout the season the Braves played exciting basketball, as many of their contests were won in the last few seconds of play.

Apache Superstars

More Sanger High 'Superstars'. These are our 'Superstars' of the Sanger High winter sports' seasons.

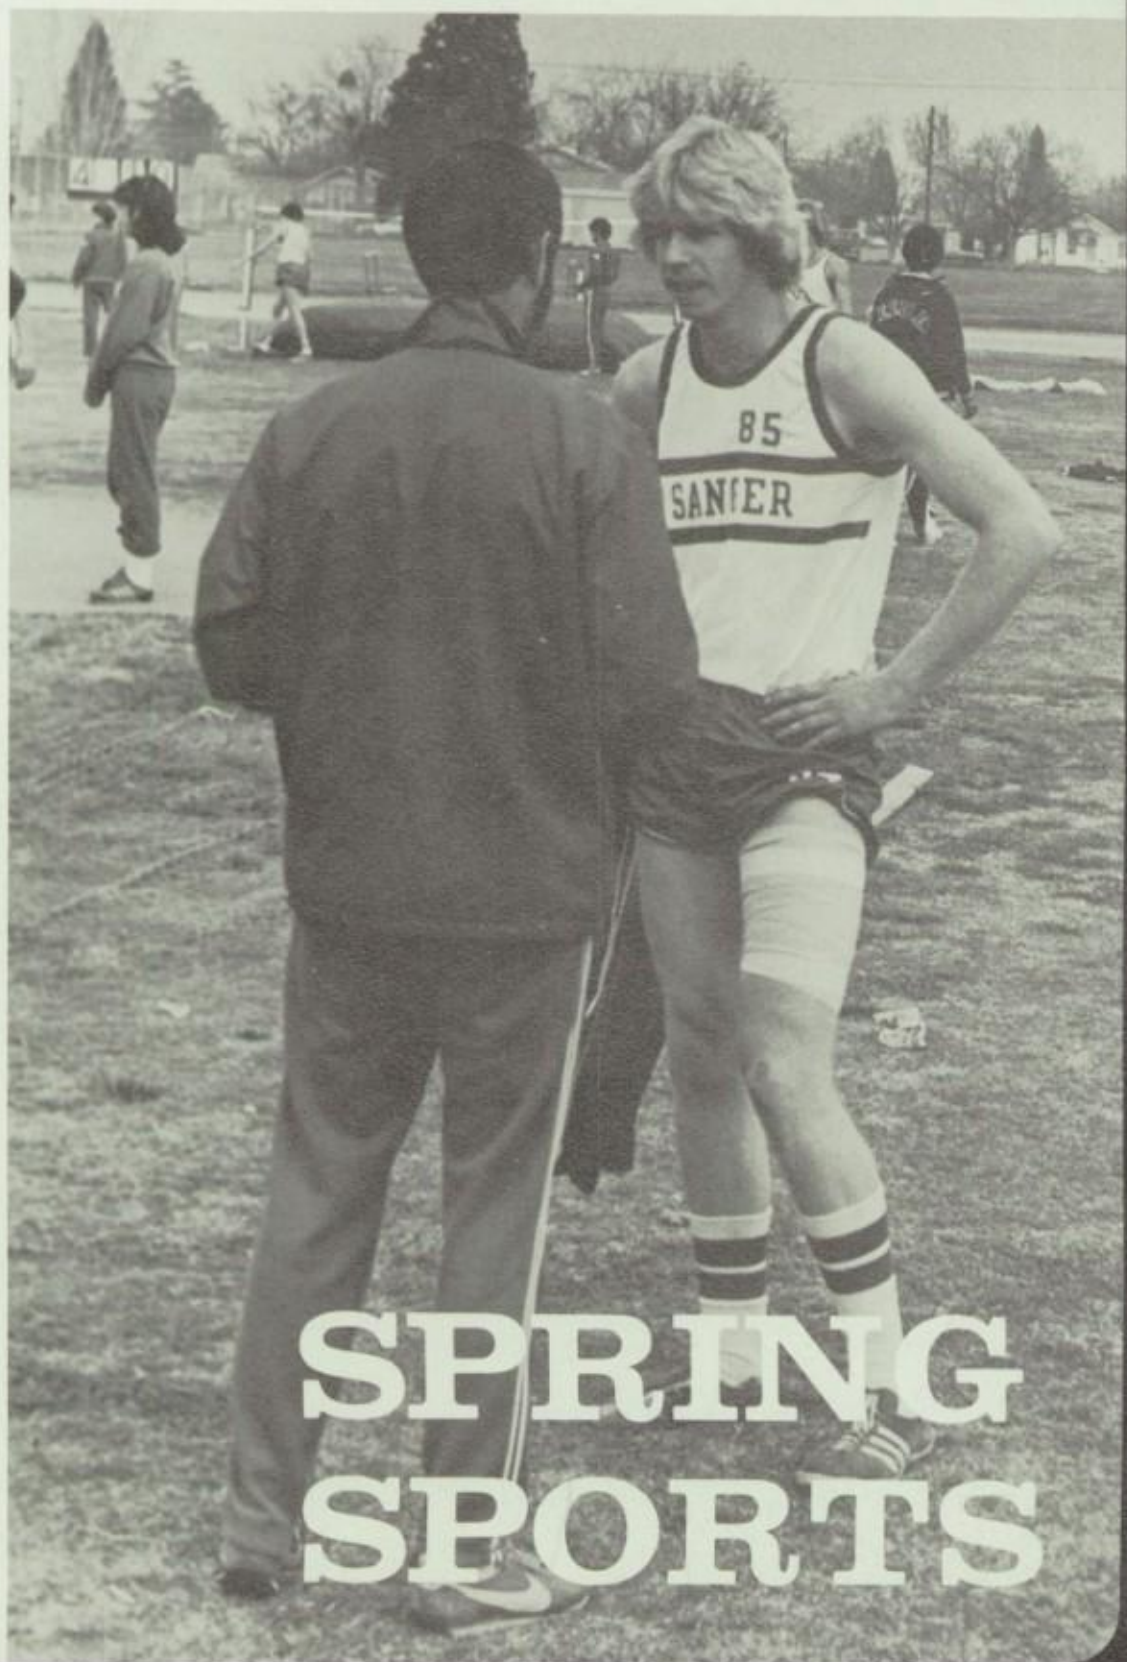

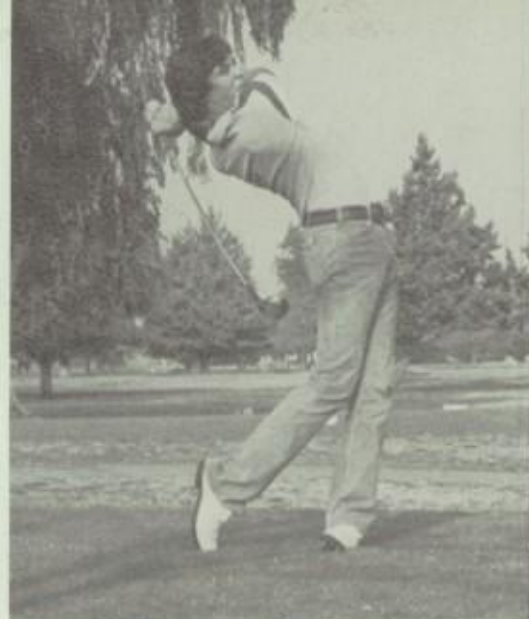

No. 20 DEBBIE COTE. A four-year letterman on the girls team and the squad leader. Debbie averaged about 10 points per game, was the team's playmaker, and an all-around basketball player. Debbie was an all-star as she was named to the West Yosemite League's all-star squad (as she did in her Soph and Junior year) and was also named to the all-tourney teams in Reedley and San Joaquin Memorial tournaments.

Center-Fullback JAIME OVALLE. Jaime, only a Sophomore, was selected as our soccer 'superstar' because of his outstanding play, primarily on defense from his center fullback position. In one of our new sports, Jaime is proving to be an excellent soccer player and is regarded as one of the best players in the league. In addition to his defensive play, Jaime played halfback when help was needed on offense.

No. 30 MIKE COOK. Mike was the only Junior on Coach Lotspeich's starting unit but from the beginning of the season he showed that he was made of 'superstar' quality. Mike is an excellent shooter and his outside shot, especially from the corner, was hard to stop. Mike averaged more than 15 points a game and was one of the scoring leaders in the West Yosemite League.

Heavyweight CALVIN WALKER. When you look at the total points scored in a season, Calvin Walker justifiably deserves his 'superstar' title. The past two years, Calvin was the squad's scoring leader and League Championship. A powerful wrestler, Calvin went through league play without loss and in tournament competitions, being seeded No. 1 was not unusual for our 1977 SHS superstar wrestler.

Montelongo leads '79 Apaches

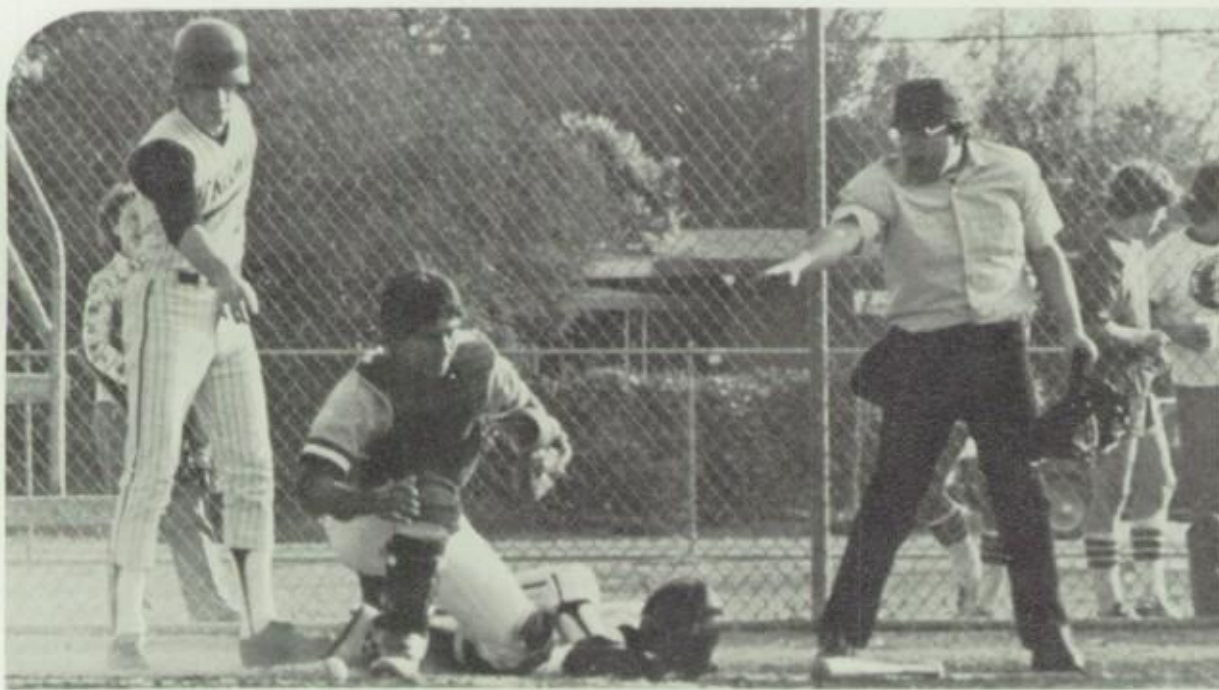

Sanger High Varsity Baseball. Front Row: Statistician Pat Puente, Ralph Escobar, Richard Ruiz, Rene Gonzalez, Joey Gutierrez, Gilbert Franco, Steve Martin, Rene Montelongo, Statistician Ruth Gonzalez. Row 2: Jim Gonzalez, Ron Cruz, Kelly Hagen, Eric Alexander, Mike Cook, Jeff Freeman, Kelly O'Brien, Paul Montelongo, Lole Maldonado, Ernie Delsid, Manager Martin Acuna, Coach Tom Biscotti.

Paul Montelongo was the No. 1 player on Coach Biscotti's Apache nine this year, but was closely followed by Kelly O'Brien, Rene Gonzalez and Mike Cook who turned in fine games contest after contest. The Apaches had to start over this year, as graduation last year left the squad inexperienced. The inexperience didn't show through though as the Apaches were tough in WYL play.

Sanger High JV Baseball. Front Row: Ricky Ramirez, John Calderon, Derek Stephens, Roy Mirales, Kenny Garcia, Bill Harbour, Ralph Montelongo, Art Alvarado, Mitch Bailey. Row 2: Coach Steve Teel, Statistician Lisa Freeman, Terry Markland, Armando Galvez, Steven Paul, Bobby Gonzalez, Jim Avala, Sapo Gutierrez, Ruben Damian, David Nolan, Rudy Uresti, Statisticians Kristi Conley and Allison Rylee.

Sanger High Frosh Baseball. Front Row: Statistician Denise Harbour, Darren Stephens, Abel Galardo, Rick Perez, Joey Franco, Marco Godinez, Rudy Vela, Statistician Dawn Wilken. Row 2: Dennis Spiller, Fred Dominguez, Tim Lopez, Stan Hernandez, Scott Hawkins, Jesse Perez. Row 3: Coach John Volkman, Mike Taber, Philip Gonzalez, Craig Fowler, James Hobson, Mitch Burson, Manager Alex Alvarado. Not Pictured John Garner.

Apache Thinclads Race to WYL Wins

Sanger High Boys Track. Front Row: Coach Dave Dodson, Marty Kaloostian, Mark Uresti, Joe Morales, Jose Padron, Cesar Lopez, Roy Vinton, Julian Vinton, John Pinedo, Kevin Miller, Fidel Mendoza, Gerard Huther, Alejandro Angles, Todd Breshears, Rudy Menditta and Brian Folmar. Row 2: Greg Vitucci, Art Cuevas, Pat Parker, Chris Lue, Steve Young, Ralph Googooian, Lance Carr, Oscar Benavides, Mike Payseno, David Thomas, Charlie Murgdechian, Ron Schafer, Louis Rodriguez, Francisco Zavala, James Mendoza, Louis Calderon, Adrian Gonzalez, Nacho Salinas and Coach Rick Leetch. Row 3: Kevin Ashford, Sonny Bigler, Mike Montez, Craig Hamby, Jay Daily, Charles Sarabian, Brian Folmar, Steve Steuart, Erik Rico, Pablo Perez, James Misakian, Guy Martin, Steve Morales, Peter Simonian, Steve Moreno, Steve Dyer, Daniel Moreno, Anthony Morales and Coach Dennis Keran. Row 4: Coach John Parks, Dick Strobe, Bob Barrett, Tony Fidalgo, Mark Shepherd, Harold Harris, Greg Simmons, Mike McKittrick, Mike Carr, Mike Miller, Eric Flemming, Allison Jordon, Dan Tufts, Allan Kiser, Gil Holguin, Marcos Perez, Juan Flores, and Richard Hemma.

The Apache thinclads, as usual, were outstanding this year. Led by Kevin Ashford, Julian Vinton, and Nacho Salinas in the boys competition and Dena Lawley in the girls. Coach Dodson had one of the strongest squads in the Valley. The Apaches were especially strong in the distance running events and the girl's weight events and consistently won these during the season.

Sanger High Girls Track. Front Row: Debbie Guerrero, Tammy Cope, Susie Aguilar, Carmen Martinez, Nancy Orozco, Miriam Orozco, Aurora Villarreal, Diane Ogawa, Angie Avila and Coach Gay Spark. Row 2: Coach Dave Dodson, Teresa Avalos, Cindy Milne, Kathy Lewis, Sarah Simonian, Kristen Baird, Chava Brown, Christi Sorensen, Maricela Hernandez, Mary Lopez, Lisa Albin, Anna Gutierrez, Tammy Morin and Coach Rick Leetch. Row 3: Cynthia Dmings, Sandra Fuentes, Elizabeth Hedman, Cheryl Stearns, Karen Miller, Maria Gonzales, Chris Henner, Charlene Patterson, Kelly Miller, Kathy Kacerek, Janice Hays, Debbie Lemos, Cheri Clark, Lauri Payseno, Sandra Hooks, and Coach John Parks.

Apache Netters Smash to Victory

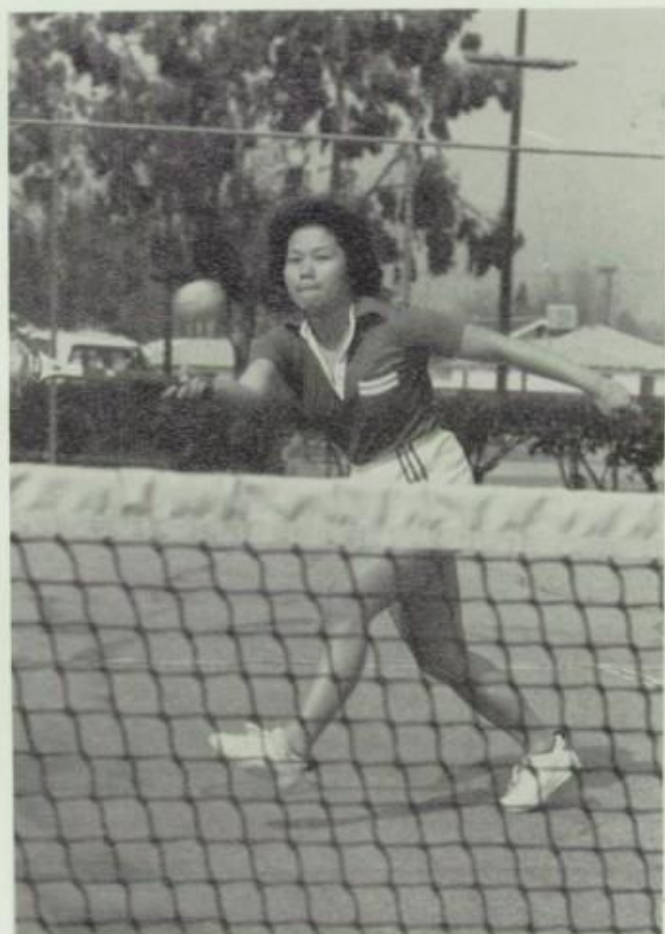

Sanger High Apache Tennis. Front Row: Cathy Nakamoto, Suzanne Marcantonio, Leslie Anderson, Nancy Lynn Walton, Sharon Fraunheim, Lynette Bedomian, and Judy Michigian. Row 2: Sergio Medoza, Patrick Leong, Roger Gong, Chris Gorham, Coach Jack Ainger, Brian Walton, Brian Gong, Frank Olivarez, and Henry Alvarado.

The Apache netters were led this season by four-year varsity letterwoman Nancy Lynn Walton in the girls' division and Sergio Medoza in the boys class. The Apache girls were strong this year and outpointed most of their competition. Chris Gorham, Sharon Fraunheim, Cathy Nakamoto, Brian Walton and Frank Olivarez were outstanding this season.

Sanger High Brave Tennis. Front Row: Nancy Palsgaard, Michelle Bowers, Rhonda Padjan, Carrie Bender, Sandra Gonzalez, Heidi Hobbs, Diana Scholar, Nicole Breshears, Sheila Golden, Lori Parnel, and Sharon Kanagawa. Row 2: Coach Wayne Wiebe, Michael Olivarez, Barry Phillips, Isaac Garcia, Billy Bernthold, Art Mendoza, Nick Preez, Steve Filbeck, and Homer Mendoza.

Apache Splashers Sink Opponents

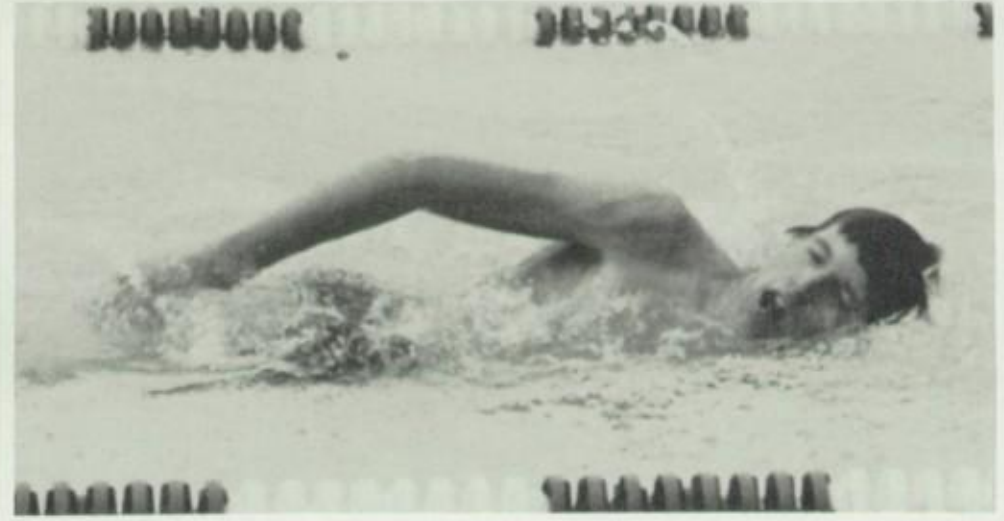

Sanger High Boys Swimming. Front Row: James Leong, Joel Dyer, Brent Pias, Tom Green, Chip Wills, Rick Thompson, Dan DeWolf and Eddie Case. Row 2: Eric Bjornsen, Ted Hinton, Jeff Kruger, Daryl Larson, Mike Lindauer, Tim Gonzales, Keith Miller, and Mike Miller. Row 3: Coach Jack Tiftick, Chris Martin, Troy Schlundt, Tim Franz, Mike Hamby, Eric Velasquez, Don Pierce, John Johnson, Tommy Hernandez, and Coach Rick Smith.

The Apache swimming squad swam their way to many wins in WYL competition this season as Beverly Hazel, Gary Cossette, James Leong, and Mike Hamby seemed to always win their events with some of the best times in the Valley. The Apache swimmers were the 'team' to beat this season in both pre-season and WYL meets.

Sanger High Girls Swimming. Front Row: Margie Gannon, Anna Sandberg, Pam Barra, Linda Gee, Sara Cruz, Diane Googooian, and Stacey Smith. Row 2: Norma Cantu, Janelle Argleben, Laura Brown, Lori Gowens, Jodi Filbeck, Janice Click and Sherry Dye. Row 3: Coach Debbi Santos, Gail Altman, Juli Filbeck, Bonnie Payton, Beverly Hazel, Cris Ilg, Kristi Thompson, Lori Sutherland, Karen Cook, and Allison Fife.

SHS Spring Sport Superstars

Dena Lawley

Kevin Ashford

Paul Montelongo

Mike Hamby

Beverly Hazel

The Apache spring superstars. In track the super athletes were Dena Lawley and Kevin Ashford. Dena was tops in four events throughout the season the Kevin was one of the top shot putters in the Valley. The 'biggies' in swimming were Beverly Hazel, the school's record holder in the 500 freestyle race and one of the valley leaders, and Mike Hamby, a four year letterman, who excelled in four events. Craig Dadian was our selection as superstar golfer as he was consistent throughout the season and for you golf fans, is a six-handicapper. Paul Montelongo, a 400 plus hitter was the leader on the Apache baseball squad and led the Apaches throughout the season. In tennis it was Nancy Walton and Sergio Mendoza who were tabbed as superstars in that event. Nancy, a four year letterwoman, emerged as one of the best players in the Valley. Sergio was consistent throughout the season and had little trouble in disposing of his opponents match after match.

1978 Christmas Ball

"Our Dreams of Christmas" became their dreams of Christmas as Roger Hemman and Sheryl Kinzel were crowned as the 1978 Sanger High Christmas King and Queen. This activity highlighted the winter season and the dance was considered one of the best of the year. Tim Franz and Janice Chooljian, Erle Hogue and Beverly Hazel, and James Misakian and Angie Avila completed the royal Sanger High court. "Mixed Company" provided the music for this social affair, sponsored by the Sanger High Student Council. Mark Beatie was again on hand to take the photos and helped to make this night, a night to remember by all who attended.

Seniors win Toyland theme award

When you want something done and done right you get a Senior to do it! The Seniors entered their float in the annual Toyland Parade and had very little competition as they won the Parade's Theme Award. Their float was a Christmassy version of their entry, which also won the Homecoming Parade entries. In addition to the Senior float, the Apache Marching Band and the NJROTC drill teams helped to make this year's parade a success.

SHS Rallies . . .

Spirit was something different at Sanger High this year! It was great. What made it great was the effort that was put into the RALLIES. Our noon and gym rallies helped create the spirit that carried into the evening and the games. All the spirit wouldn't have been possible without the tremendous efforts of Rally Commissioner Laura Kriner. She did a lot and she did it well. The SHS Band, the pep and cheer girls, the letter and the flag girls, our mascot, the majorettes, and the large number of Sanger High students who participated in the skits helped make the 1978-79 Sanger High spirit year a SUPERIOR SPIRIT YEAR!

SHS Rally Girls

Some of the best cheer, pep, and letter squads in the Fresno area are right here on our campus. Year after year, these groups return to Sanger from the various competition with many of the 'top' prizes and this year was no exception. Much time and effort went into creating these top squads. Our girls did what was necessary. In addition to the rigorous practice sessions to perfect the various routines, the girls did more than just perform. Throughout the year they were kept busy performing at the rallies and the games and they even sold tickets (on the Subaru Brat). It's not all fun and games. The major portion of the estimated \$300.00 expense is borne by the girls (and their parents). Advisors Beverly Linder, Meanana Perez and Bill Jaime worked throughout the year with the groups and it was their efforts and enthusiasm that helped make these groups as excellent as they are.

JV, Frosh cheer squads add to SHS spirit

Sanger High JV Cheerleaders: Valerie Brazeal, Cathy Herron, Nanette Snell, Julie Antognoli, Heidi Hobbs, and Beverly Hazel.

Some of the 'best' cheerleading this year was done by a new Sanger High cheerleading group, the JV cheerleaders. This was the first year for them and they took their jobs seriously and did an outstanding job. This group took the place of the class cheerleaders and 'did their thing' at each of the JV games. The Frosh cheerleaders were as 'bubbly' as ever and their personalities reflected their enthusiasm for their jobs. With the efforts put in by these two groups, the spirit of the student body increased greatly this year. The change—from class to JV cheerleaders—proved to be a beneficial change.

Sanger High Frosh Cheerleaders: Neida Najera, Sandra Orozco, and Denise Harbour.

Majorettes, Lettergirls compliment SHS Band

Dianna Carter

Mackie Galbreath

Janice Nelson

Sanger High's majorettes and flag girls participated in each of the halftime shows and in each of the Band's parades and competitions. SHS has only had flag girls for a few years and each succeeding year they have become better and better. This year they were great and added a great deal to the Sanger High Marching Band. In their competitions, the Sanger High lettergirls are second to none and have the trophies to prove it.

Sanger High Flag girls: Front Row: Airene Nuval, Donna Yamamoto, Laura Reeck, Irene Garza Row 2. Melani Freeman, Diane Cervantes, Carolene Lindrose, Cheri Sano, Teresa Foutz, Lori Hemma, Cassandra Kiser, Cheryl Cueuk, Pam Barra, and Linda Macias.

Fall Booster's Banquet honors athletes

Apache

Boosters

A fitting climax to the fall sports' season was the annual Sport's Banquet which honored the outstanding athletes in each of the fall sports. Singled out for special recognition and trophies were Abel Trevino and Kevin Ashford in football; Sharon Frauenheim in volleyball, James Leong in waterpolo; and Julian Vinton in cross country. This event was presented by the Apache Boosters and was held in the Sanger Community Center. Approximately 400 persons attended the fete honoring the varsity and JV athletes in each of the sports.

February 8, 1979, marked a new era in the outcome of the annual Junior-SENIOR Powderpuff game. The game didn't end in a tie. The SENIOR spark came in the 2nd quarter when SENIOR Dena Lawley scooted 70 yards for a touchdown. Quarterback Cathy Padilla added the extra point. The 3rd quarter was marked by good defense. Neither team could move the ball. But the SENIOR offense came alive when Diane Ogawa faked a reverse and went in for the 2nd score of the game. Paul Montelongo was crowned Powderpuff King during the halftime festivities.

1979 Miss Spring Dream

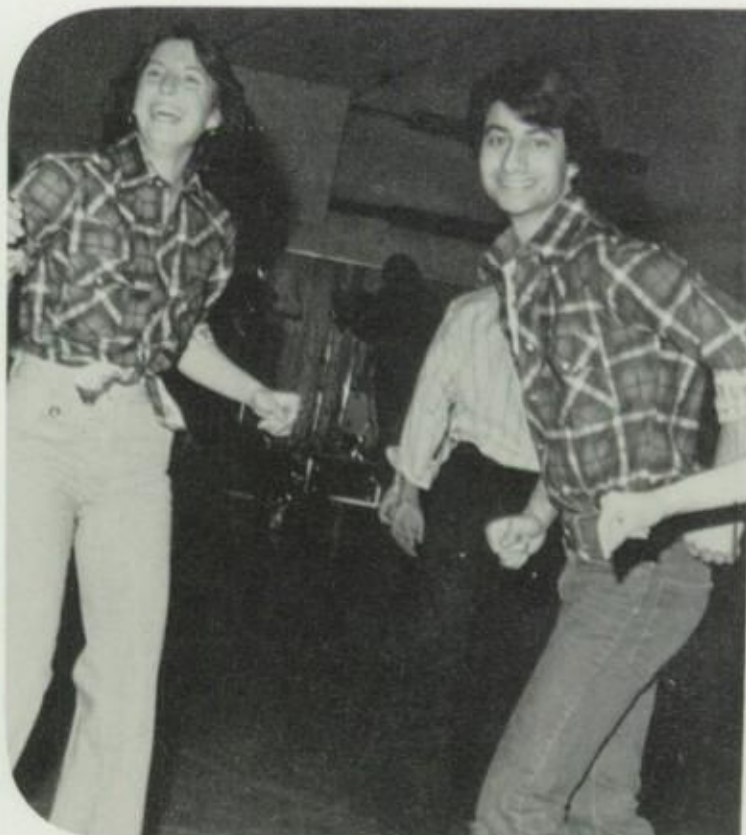

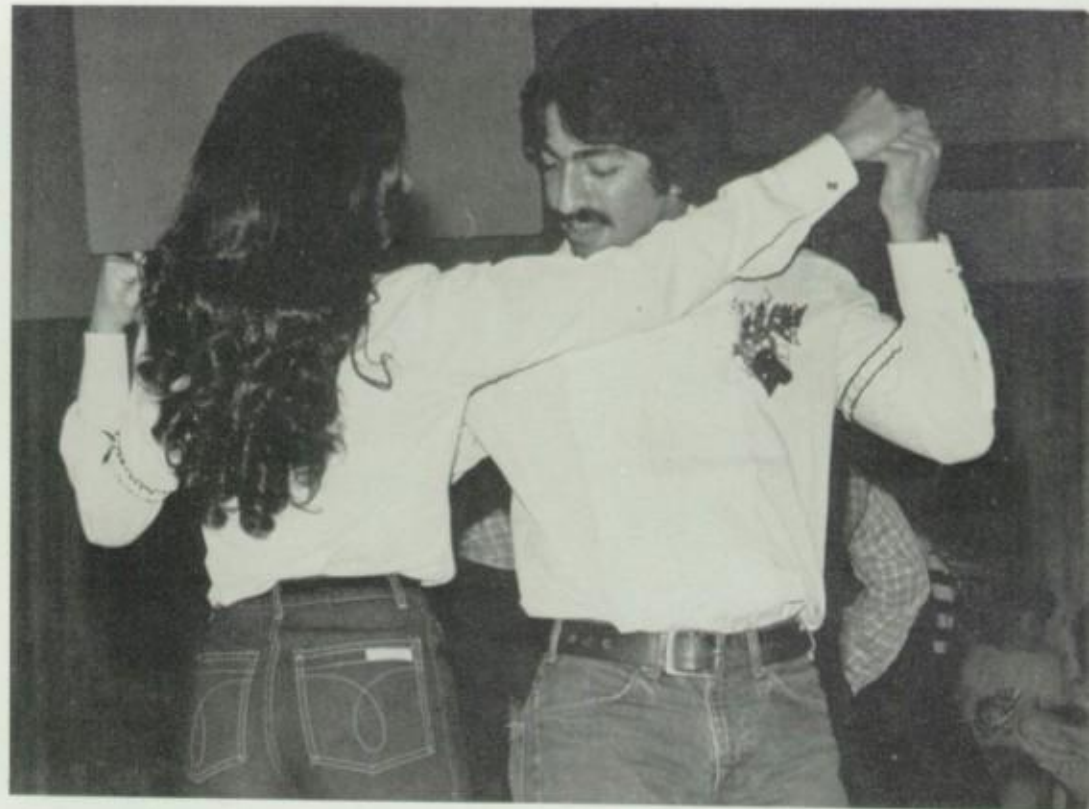

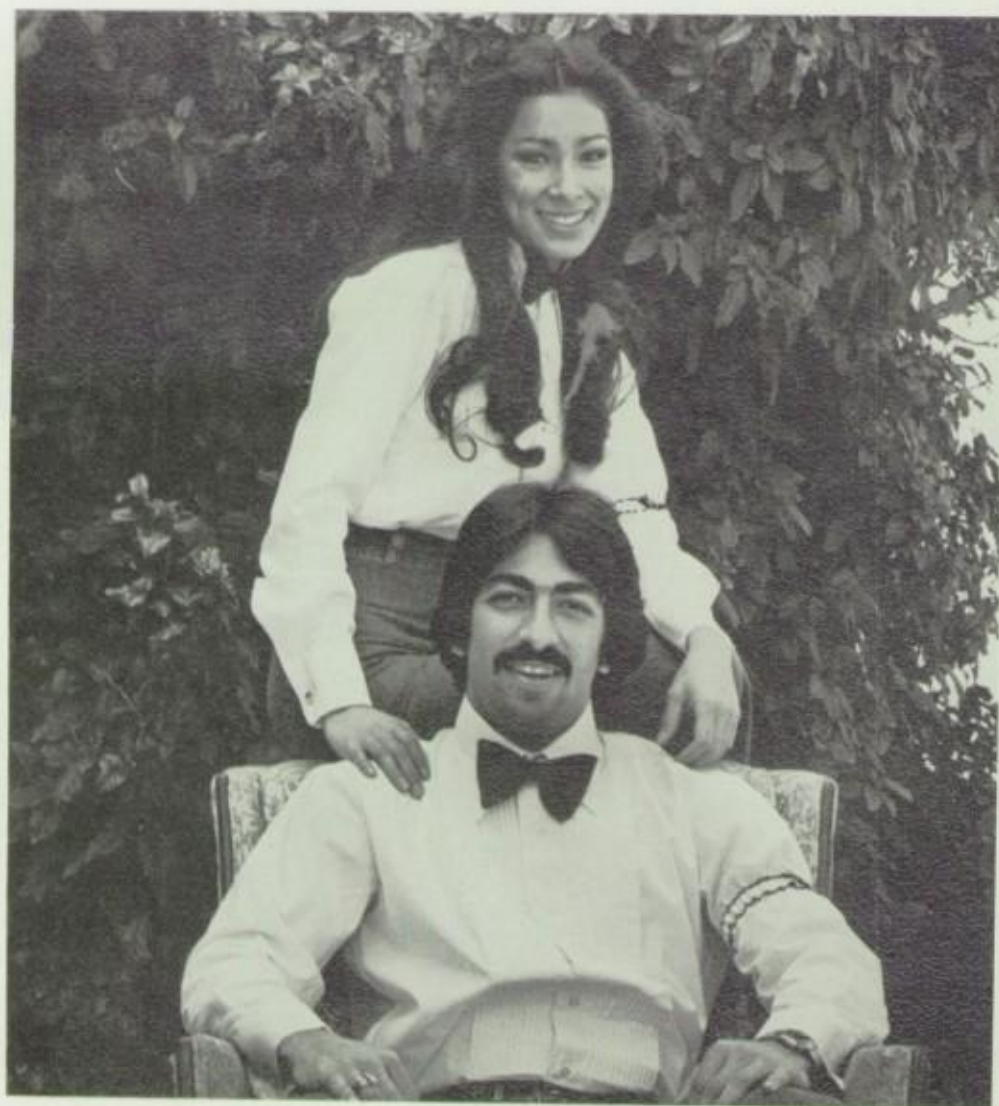

Miss Spring Dream
Vicki Campbell

Sanger High's Miss Spring Dream is one of SHS's most active and most talented students. Senior Vicki Campbell was selected Sanger High Spring Queen and in addition was one of the most active campus music students and was the lead in the spring production of "Damn Yankees". Runners-up in the queen contest were Sue Stuart, Sarah Simonian, Kellie Yost, and Lysha Young. Spring Week was the hi-light of the Sanger High spring season and the student council was instrumental in planning a week that created much enthusiasm among the members of the student body. During the week the students were afforded the opportunity to do everything from wearing togas and chariot racing to participating in the Dating Game, dancing in the dance contest and 'doing it' at the mini-olympics. All-in-all, Spring Week focused on fun and involvement and it was fun as many Sanger High students did get involved.

Charlie and Kathy claim L'il Abner, Daisy Mae titles

Two of Sanger High's most popular students were selected for this year's L'il Abner and Daisy Mae. Charlie and Kathy were the honored guests at the Backwards Dance, where the girl students led the way as they had to, for once, do the asking. It was a success as the many participants danced to the music of 'Touch' and enjoyed the marrying antics of 'Marrying Glen'.

1978-79 was a plus year for Ms. Linda Bacon and Sanger High Drama. In addition to the annual spring musical, "The Miracle Worker" was presented in December to a large appreciative audience. Since Ms. Bacon took over, interest and enthusiasm for plays and productions has increased greatly. When the notices for casting for the plays goes out, a very large turnout responds. As a result, Ms. Bacon has made the shows school-wide rather than class-wide.

Girls dunk boys in Tug of War contest

FFA Week again captured the attention of the student body as the students got involved, primarily in the tug-o-war. The tug was made and the girls won! This year the boys hit the water. In addition to this popular activity, the FFA members helped to make this week a week to remember during the winter season as they sponsored a pie-eating contest and organized an obstacle race.

Board, Administration reflect "care" attitude

Dr. J. Donald Dorough

With the District's "New Horizons" Institute Day presented in January, the Central office administration created a bond between that level of the school district and Sanger High. Their interest in our campus and our well-being was reflected throughout the year through numerous activities of Sanger High that they personally became involved in. Their offices are a few blocks away but their enthusiasm for SHS was evident each day.

SANGER HIGH . . .

'79

Jerry ^{oops} ~~well~~ school is almost over. Boy!!! Am
I Glad!! It was great getting to know you in
Geometry. Love, Leslie Lehman

Sanger High . . . A very busy

On these pages we selected photos that represent just some of the activities that HAPPENED IN THE FALL. At each home game, Sanger High's NJROTC unit was responsible for 'Raising the Colors'. "Buy a ticket!" "Please buy a ticket!" These phrases were heard thousands of times during the early part of the school year as the Dr. Marvin Call committee raised funds for the new stadium ticket booth by raffling the Subaru Brat. Lysha and Tom did their thing and at our night rally we Officially welcomed 'Ben' (Sandoval) to Sanger High. Finally, it costs a lot of money to go to a football game, because the fans were confronted by clowns of all sorts and persuaded to buy items of all sorts, including balloons.

The on and off campus activities of the Sanger High students are 'covered' on a daily basis by Senior Jesse Alonzo. At right are some of the 'least publicized' activities. The making of the football programs. The KYNO reports (we never could figure out why Sharon Gahvejian always wanted to go . . . but then we found this photo). The Apache Band was very visible EVEN out of town. Dee and Lisa took time out to pose for the camera at one of the many out-of-town parades. Then there were the

place IN THE FALL

weekly edition of the Hi-Lights. The upperclassman wrote it and the little FRESHMEN had to 'count' them out and deliver them to the classes. Nycole, Barbara and Cindy did it willingly. An out of school activity that 'officially' was not part of our school activity but we want to claim it anyway is the traditional September Mexican celebration where this year's Queen was SHS Senior Connie Rameriz. These were only a few of the activities that 'happened in the fall'.

Sanger High Much

The weather changed, it got colder. The sun stayed above the clouds and the rain came. But the activity at Sanger High didn't stop at all and the interested Sanger High students had plenty to do. Mr. Wiens and his California History students were always on the go and spent several of their weekends in the woods or in other areas of historical interest in California. His classroom was the entire State of California. The boys in Home Ec. showed the girls 'how to do it' as they won the cake decorating contest, proving—as they said—that we can outdo the girls in any activity. Stefanie Kisner likes to eat lunch but when Mr. Whittington serves it, she shudders. She was caught here 'eating' or trying to eat, a bug! Mr. Whittington said there was a purpose! Mr. Pecia wanted to show his students the problems that face a young couple when marriage is contemplated. A 'wedding' fashion show was held, complete with everything from flowers to photographs. The faculty ate well one morning compliments of the Student Council. A pre-Christmas breakfast was held for the appreciative faculty. To balance Homecoming, a Macho-man contest was held and attracted a large number of contestants. Dr. Dorough greeted the teachers at Institute Day in January, Janice Chooljian was one of the Gottschalk's Hi-Deb models who modeled in February, and the SHS Drama and Future Medical Students assisted in the mock-disaster drill held in the community. All in all, a very busy winter.

activity in the Winter

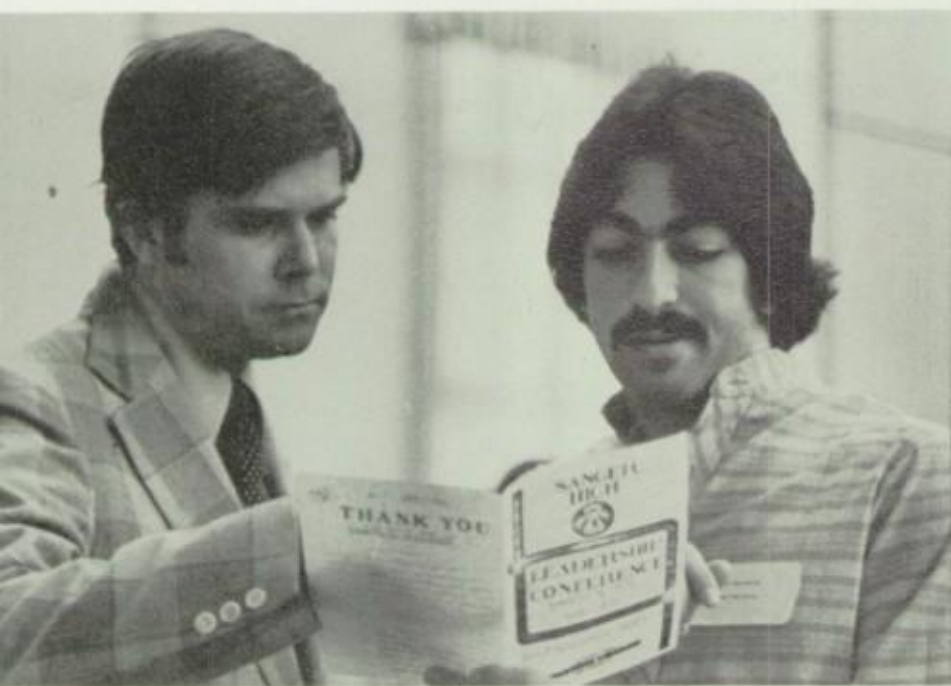

Sanger High . . . enough 'Spring'

Many things 'Happened in the Spring' this year and it took the concerted effort of many members of the Sanger High Student Council to keep track of everything. In addition to 'Spring Week', which featured the crowning of Senior Vicki Campbell as our 'Miss Spring Dream', the Spring calendar also included a 'Friend's Week', that featured the 'Have Pride in Your Ride' contest. Many Sanger High students entered the contest won by Danny Navarett. Hundreds of Sanger High students headed for the parking lot to view the judging. SHS Prexy Charlie Mugerdechian talked to a real politician during the Sanger sponsored 'Leadership Day' which brought back Assemblyman Rick Lehman to the campus. Lehman is a graduate of SHS and while on campus was actively involved in student government, drama, and journalism. One of the more active clubs on campus, FHA, spent much of their spring entering the Homemaker contests and bringing recognition to the school through their winning entries. Finally, it was 'parent time' for many seniors in the 'Family Living' class as Mrs. Crider taught her girls the responsibility of raising a family.

As the last touches are being completed, we can look back and realize what we have done. We have created and finished the 1979 ECHO, your ECHO. It's yours because it represents you the students of Sanger High. We did our best to cover all the activities of the year. All the hard work and effort put into this book cannot go without comment. Deadline after deadline, you could find the ECHO staff in Room S-1 designing, cutting, pasting, typing and often wondering if they'd ever make it home that night. Without their help it wouldn't have been possible. We'd like to thank all the faculty members who put up with all of our absences and class interruptions for picture taking, but most of all we'd like to thank JESSE ALONZA-ECHO PHOTOGRAPHER and MR. DONALD PEOPLES. Jesse rarely got a day off. Whenever something was happening, no matter how minor, you could expect to see Jesse there capturing it on film. And none of this could have been accomplished without Mr. Peoples. He was always there when we needed him, which was always. Thanks Mr. Peoples and Jesse for putting up with us and all of the hassles. A lot of hard work and worry went into this book, but we feel it was all worth it. We hope you do too.

To a Friend . . .

To a Friend—
The sun's setting behind the hill,
The song is over but I remember still,
The happiness it brought me then
Now you're gone and time won't bend.
You were here for a short while,
But we who knew you will not
forget your smile.
The universe is vast, our lives are
so small.
Things go on with or without us,
we're not so tall.
With each passing of a year, the
colors may fade,
The winters may get warmer
And in the water I'll wade.
Time will never erase your memory,
my friend,
You spent your life wisely and
tried till the end,
To keep up the smile everyone knew
and loved,
Daylight is so precious, and yet we
waste,
And take for granted many people,
until too late.
We turn around and they're
forever gone,
It's ironic how life can be
like the end of a song.
